# Children Exiting Foster Care in SFY 2019

3

AND...  
We MUST Continue!

## Continuous Quality Improvement

## **First 60 Days**

- Slice 4: Cases with Unsafe Consult but not Transferred to Case Management
- Slice 5: Cases with Unsafe Consult but no Parent Meeting
- Slice 6: Cases with Unsafe Consult but no Family Meeting
- Slice 7: Cases with Unsafe Consult but no complete Family Documentation

## **After 60 Days**

- Slice 8: Cases that have gone > 90 days without a Consult
- Slice 9: Cases with kids in residential treatment that have gone > 30 days without a Consult
- Slice 10: Kids with complete Family Documentation without Permanent Selection or EHV

## **Permanency**

- Slice 11: Kids with EHV but Case not closed
- Slice 12: Kids with Permanent Selection without Physical Permanent Placement
- Slice 13: Kids with Physical Permanent Placement without legal guardianship legal status
- Slice 14: Kids with legal guardianship status with open removal

# Case Management Redesign Scorecard

9

Scorecard Metric	Baseline	1 Dec 2019	1 Mar 2020	1 Jun 2020	1 Jun 2021
1. 95% of unsafe cases transfer to Case Management within 7 calendar days after decision	Unknown	55%	75%	95%	95%

- Foster Parent Development Plans and Supports

Child and Family Services' goal is to work with medical providers, substance abuse treatment providers, and other community partners to eliminate barriers to pregnant women seeking substance use treatment and services while maintaining the safety of infants.

## ***Plan of Care:***

- A Plan of Care is used to document the actions and services necessary to address the health and substance use treatment needs of a Substance Affected Infant and his/her family or caregiver. A Plan of Care is required to be developed for each Substance-Affected Infant.

This act reforms the federal child welfare financing streams, Title IV-E and Title IV-B of the Social Security Act:

- To provide services to families who are at risk of entering the child welfare system.
- To prevent children from entering foster care by allowing federal reimbursement for mental health services, substance use treatment, and in-home parenting skill training.
- To improve the well-being of children already in foster by incentivizing states to reduce placement of children in congregate care
